Subj: REQUEST FOR GEOGRAPHICAL BACHELOR HOUSING

1. I request to reside in geographical bachelor housing while stationed at Air Test and Evaluation Squadron NINE. My family is currently living in Monterey, CA where we have our home. My wife and I are currently having marital issues and are facing a possible divorce. She decided not to accompany me on my PCS move to China Lake. However, I am still paying for the mortgage of the house in Monterey, CA as well as providing for my wife and two daughters. My wife is employed but only part-time and makes minimum wage. My daughters are 9 and 5 years old and are well established in Balboa Elementary School. My 9-year old daughter is in 5th grade and has been going to the same school since kindergarten. Financially, it would be very difficult for me to continue to provide for my family and pay \$600 plus to rent my own place out in town.

2. I can be reached at (123)456-7890 or via email:
